

## Weekly Tenant Update

April 9, 2020

Below are the latest precautions and recommendations for 1720 and 1780 Russell Rd

New this week:

Effective today, all Perley Rideau staff providing front line care to tenants and clients will be wearing surgical masks at all times during their shift. This additional precaution is put in place in an effort to prevent asymptomatic transmission of respiratory illness such as COVID-19 to our tenants and clients. Tenants and clients are not required to wear masks at this time. Staff also continue to be screened at the beginning of every shift as well as at the end of every shift. This screening includes answering 3 questions as well as getting their temperature taken. All of these measures are put in place in order to protect you and ensure that no one from the outside transmits the virus to our residents, tenants and clients.

We continue to encourage all of our tenants to refrain from leaving the Perley Rideau grounds unless absolutely necessary. If you need some essential grocery items such as bread, milk, cream or eggs, we are able to help by getting these items for you from the Perley cafeteria. You can contact the office to let us know which items are needed. Your requested items would be delivered to you within 1 business day of your request (Monday to Friday only, no delivery on Statutory holidays)

**Perley Rideau**

The Perley and Rideau  
Veterans' Health Centre

We are currently working with the cafeteria on a more complete list of grocery items or possibly even offering ready to cook meal kits. More information to come on these options in the near future!

Our Perley friendly volunteers would like to check in! Since the volunteers are no longer able to come onsite, they have asked if they could help by contacting with our tenants and offer companionship by telephone. If you are interested in participating and having a volunteer contact you by telephone, please contact the office at ext. 2212. Help us keep our volunteers connected with you and the Perley Rideau Seniors Village by signing up today!
