Reference number: 2022-058

Perley Health is a unique and innovative community that empowers Seniors and Veterans to live life to the fullest. Home to more than 600 Seniors and Veterans in long-term care and in independent apartments, Perley Health provides a growing number of clinical, therapeutic and recreational services to residents, tenants and people from across the region.

One of the largest and most progressive long-term care homes in Ontario, Perley Health is also a centre for research, education, and clinical innovation. Our Centre of Excellence in Frailty-Informed Care conducts and shares the practical research needed to improve care. Future caregivers come here to study and to acquire hands-on skills and experience.

Perley Health's values are brought to life each day by our over 800 employees. And more than 400 regular volunteers connect us closely with the community. Together, we improve the well-being of Canada's aging population.
