December 2, 2025

## Your Safety is Our Top Priority

The safety of residents, staff, and visitors is paramount. Please help us maintain a safe environment by obeying all signs and following safety directions in and around construction zones.

- **Noise:** If you are affected by construction noise, free hearing protection is available from the Support Services offices on the second floor of the Perley Centre.
- **Winter Safety:** Please take extra care outdoors to prevent slips and falls.
  - Use the **provided salt bins** for icy areas.
  - Wear **non-slip footwear**.
  - Walk cautiously using the **"Penguin Shuffle"** technique.
  - Keep your hands free for balance and stay on designated walkways.

We are committed to keeping the Perley Health community informed about project schedules and safety measures.

## Recently Completed Work

1. **EV Charging Stations:** Installation of the four charging stations near the Commissionaires Ottawa Place entrance is complete. Commissioning is currently underway and the stations are expected to be available soon.

## In Progress

2. **Intergenerational Child Care:** Construction continues inside Perley Health and in the adjacent courtyard. For specifics, see the update below.
3. **Perley Centre Re-roofing:** Work continues as weather permits. The staff parking lot next to Respite House remains closed to support these activities. Please use other designated staff parking areas. Parking map: [PerleyHealth.ca/map](https://PerleyHealth.ca/map).
4. **Ottawa Residence Repairs:** Repairs are actively underway to address water damage resulting from the recent roof leak.
5. **Loading Dock Door Repairs:** Repairs are currently in progress on one of the loading dock doors.

## Upcoming

6. **Electrical Shutdown: Perley Centre Block:** A planned electrical shutdown will take place on December 12th at 1:00 a.m. to complete maintenance.
  - The Perley Centre block will operate on generator power during this maintenance period.

## Intergenerational Child Care Update (Project Completion: 41%)

Construction continues on the Perley Health Intergenerational Child Care centre, a program of Andrew Fleck Children's Services.

### Construction Progress

#### Internal Area (Zone 1) Progress:

- Wall framing in the space across from the pharmacy (First Floor, Perley Centre) is almost 75% complete. Rough ins for services are in progress.

#### External Area (Zone 2) Progress:

- The canopy roofing is scheduled to be installed the week starting Monday, December 8, 2025.
