

## Your Safety is Our Top Priority

The safety of residents, staff, and visitors is paramount. Please help us maintain a safe environment by obeying all signs and following safety directions in and around construction zones.

- **Winter Safety:** Please take extra care outdoors to prevent slips and falls.
  - Use the **provided salt bins** for icy areas.
  - Wear **non-slip footwear**.
  - Walk cautiously using the "**Penguin Shuffle**" technique.
  - Keep your hands free for balance and stay on designated walkways.
- **Noise:** If you are affected by construction noise, free hearing protection is available from the Support Services offices on the second floor of the Perley Centre.

As we enter February - Heart Month, Valentine's Day, and so much more - we thank the hard-working crews for their work to complete these Perley Health improvements inside and outside.

### In Progress (Note: Numbers correspond to the project map/photo)

1. **Perley Centre Re-roofing:** This work continues but is subject to inclement weather at this time of year.
  - The staff parking lot next to Respite House remains closed to accommodate the work. Please use the other designated staff parking areas. Parking map is available at [PerleyHealth.ca/map](https://PerleyHealth.ca/map).

2. **Early Learning Centre:** See the update below.
3. **Ottawa Residence Repairs:** Construction repairs are underway to address water damage resulting from the Ottawa roof leak
4. **Heating Ventilation and Air Conditioning (HVAC) Enhancements:** Enhancements continue in the Ottawa Residence with the installation of new dampers and ceiling thermostats in resident rooms. Once complete, work will begin in the Rideau Veterans Residence and the Gatineau Residence.
  - Installation takes only 30 minutes per room with minimal noise.
  - Residents and guests do not need to leave the room. Contractors work primarily in the ceiling area in the middle of the room.
  - A member of the housekeeping team will be available to assist with cleanup and resident support.

## Completed

5. **EV Charging Stations:** These are now operating. The four charging stations are located near the entrance to Commissionaires Ottawa Place (1720 Russell Road).

## How to Use the EV Charging Stations

- **Step 1:** Scan the QR code on the station with your phone to be directed to the charging site.
- **Step 2:** Select "Sign up" or "Login" if you already have an account.
- **Step 3:** Input your information and payment details. Once approved, plug in your vehicle to begin charging.
- **Step 4:** Monitor your progress on the webpage.

**Notice to Users:** Charging costs \$0.45/kWh. Please unplug promptly; a \$0.05 per minute idle fee applies if the vehicle remains plugged in after it is fully charged. After charging, please move your vehicle to another space. For issues, contact Lacey Sheng at [lsheng@perleyhealth.ca](mailto:lsheng@perleyhealth.ca).

## Andrew Fleck Children's Services Intergenerational Early Learning Centre at Perley Health Update (Project Completion: 73%)

### Upcoming Work (February 9–27, 2026):

- **Exterior:** Completing the large entrance canopy framing, installing curtain wall frames and glass, and finishing exterior wall insulation.
- **Interior:** Installing ceramic tiles in washrooms, continuing HVAC, plumbing, and electrical rough ins, and installing sprinkler heads. City consultants will also begin ceiling inspections for electrical and mechanical systems.
