

Construction Updates at Perley Health

Edition:

6

September 19, 2025

Your Safety is Our Top Priority

Your safety is paramount throughout this project. Please help us keep everyone safe by paying close attention to all signs and following all safety directions in and around construction areas.

This is the sixth edition of our regular "construction" newsletter, designed to keep you informed about work details, safety measures, and project schedules.

Important Service Disruptions

Interior Demolition - Noise and Vibrations

Demolition continues inside the Perley Health Intergenerational Child Care, a program of Andrew Fleck Children's Services, across from the pharmacy, in Perley Centre.

Starting **Tuesday, September 23**, cutting of the floor will begin in this space, as part of the construction.

This work will cause intermittent noise in specific areas.

We strongly recommend that anyone working in or near the affected area use hearing protection. You can pick-up free hearing protection from the Support Services offices on the second floor of the Perley Centre.

This work will continue for two weeks and estimated to conclude on October 7.

Intergenerational Child Care Update

Work continues inside and outside the future home of the Perley Health Intergenerational Child Care, a program of Andrew Fleck Children's Services.

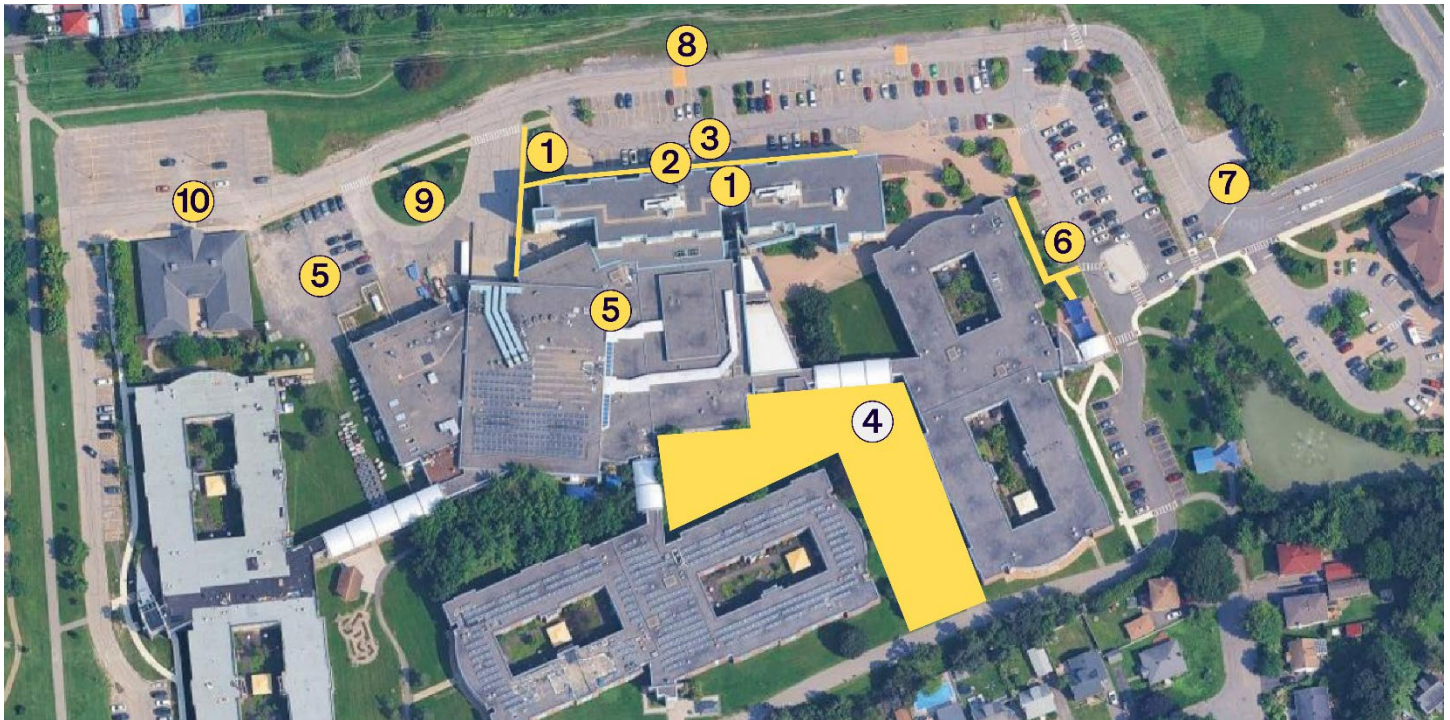

Roofing Projects

The re-roofing work continues on Perley Centre and Respite House. The work is expected to continue through the Fall.

While the project is underway part of the parking area adjacent to Respite House at Perley Health will be cordoned off to accommodate heavy equipment and the supplies required for installation of the new roof. Parking on the gravel lot will be unavailable during this time.

Please park in other parking locations designated for staff (www.PerleyHealth.ca/map)

Construction Overview

Current Work in Progress

1. New sidewalks at 1720 Russell Road, Commissionaires Ottawa Place to the staff entrance near the loading dock.
2. Patio stones installed near the main entrance at Commissionaires Ottawa Place.
3. Electric Vehicle Charging Stations: Electrical work begins for the installation of four parking spaces with electric vehicle charging stations.
4. Perley Health Intergenerational Child Care, a program of Andrew Fleck Children's Services.
5. Re-roofing of Perley Centre. The parking lot next to Respite House unavailable to accommodate work.
6. New sidewalks planned for Rideau Veterans Residence.
7. Campus map re-installation.
8. Landscaping maintenance planned for Commissionaires Ottawa Place.
9. Patio stones installed on island near loading dock.

Upcoming Work

10. Temporary sidewalk repairs at Respite House.
