

OANHSS Leadership Awards 2013 Recipient

Perley Rideau is proud to announce that Greg Fougère was recently honored by the Ontario Association of Non-Profit Homes and Services for Seniors (OANHSS) with its 2013 leadership award.

Excerpts from the award presentation:

“It is given to an individual who has demonstrated exemplary leadership and has made an outstanding contribution to OANHSS and the long-term care sector.”

“In his role as CEO, Greg has led Perley Rideau to become more resilient and more relevant to the needs of its residents and the community.”

*Greg receiving the Award from Heather Galli,
Interim VP of Insurance Operations at HIROC*

“Over the past few years, in partnership with its Board, he has been leading the first phase of a 15-year strategic vision to transform the home into a Seniors Village.”

“This has involved many initiatives, including gaining support for and building a respite care guest house for seniors with dementia; obtaining additional funding to support assisted living services for high-risk seniors; and constructing 139 seniors’ apartments, which, by itself, was a 42-million-dollar project with an ambitious timeline. All of these changes have required his vision, resolve and leadership to implement.”

“Even with his many responsibilities, Greg has still found the time and energy to contribute to OANHSS. He has served on the Board of Directors for eight years, first as a Member-at-large, then as Chair and Past Chair. “

“One of his greatest contributions was in carrying the Association’s advocacy message to media and the government. “

“A donation of \$500 will be made to the University of Ottawa’s Masters in Health Administration Program in Greg’s name.”

This award was no surprise to those who have worked with Greg. We wish him well in his new endeavors.
