Exploring the Experiences of Veteran Long-Term Care Residents' with Arts-Based Programs

The Centre of Excellence in Frailty-Informed Care™ is seeking family members and friends of Veteran long-term care residents who currently participate in The Ozerdinc Grimes Family Therapeutic Recreation & Creative Arts Program at Perley Health.

We are interested in exploring the impact of arts-based programs on health, well-being, and quality of life.

- **Requirement:** Family members and friends of Veterans are invited to participate in a confidential, one-time interview lasting up to 30 minutes with a Research Associate.

This research is made possible thanks to the support of the True Patriot Love Foundation
